

9th Open Collaboration Meeting on Superconducting Linacs for High Power Proton Beams (SLHiPP-9)

Friday, 27 September 2019

LLRF, Beam Diagnostics & Beam Operation - Lecture Hall, No. 6 Building (10:40 - 12:00)

time	[id] title	presenter
10:40	[25] Online System Identification for Superconducting Cavities Based on Transient Beam Loading Effects	HUANG, Ran
11:00	[27] APTM&GRID Development Effort for ESS-IMP collaboration	NIU, Haihua
11:20	[32] Beam Dynamics and Beam Commissioning of 10 MeV CW Proton Superconducting Linac Based on Spoke Cavities	HE, Feisi
11:40	[33] LEAF Commissioning	YANG, Yao
