

9th Open Collaboration Meeting on Superconducting Linacs for High Power Proton Beams (SLHiPP-9)

Friday, 27 September 2019

RF System Design, Test, Commissioning - Lecture Hall, No. 6 Building (15:10 - 16:30)

| time | [id] title | presenter |
|-------|---|-------------------------|
| 15:10 | [28] RF Source System Design for CiADS | SUN, LiePeng |
| 15:30 | [42] Application and Development of Solid State Power Source in High Energy Accelerator | ZHANG, Dongsheng |
| 15:50 | [30] Solid State Power Amplifier for Optimal Charging of RF Superconducting cavities | HUANG DUC(REMOTE), Long |
| 16:10 | [31] Kilowatt Level High Efficiency Solid State Power Amplifier at 100 MHz | TONG (REMOTE), Renbin |
