

Joint ESS ILL User Meeting

Wednesday, 5 October 2022

Fundamental and Particle Physics - Stora Salen (13:30 - 15:00)

time	[id] title	presenter
13:30	[198] Nuclear Physics Research at ILL – an overview	SCHECK, Marcus
14:00	[199] How to Test Quantum Causality with the Neutron Interferometer	WAGNER, Richard
14:30	[200] BeamEDM - A beam experiment to search for the neutron electric dipole moment	FRATANGELO, Anastasio
14:45	[201] BRAND – search for exotic couplings in weak interactions using the transverse electron polarization in the decay of free neutrons	BODEK, Kazimierz
