

Joint ESS ILL User Meeting

Thursday, October 6, 2022

Neutrons and Current Climate Challenges - Stora Salen (9:00 AM - 10:30 AM)

time	[id] title	presenter
9:00 AM	[222] Complex hydrides for energy application	LOHSTROH, Wiebke
9:30 AM	[223] Neutron scattering studies on CO ₂ confined in nanoporous materials: Applications to CO ₂ sequestration and oil recovery	STEFANOPOULOS, Konstantinos
10:00 AM	[224] In situ flow exchange experiments between macropore and soil matrix combining Neutron and X-ray tomographies	BARBOSA, Luis
10:15 AM	[225] Investigating the physical behaviour of novel cyclic poly(lactone)s using SANS	YANG, Philip
