

# Joint ESS ILL User Meeting

## Thursday, October 6, 2022

### Large Scale Structures and Soft Matter (3:30 PM - 5:00 PM)

time	[id] title	presenter
3:30 PM	[247] Small-angle scattering and neutron reflectometry investigation of ultra-soft colloids in two and three dimensions	SCOTTI, Andrea
4:00 PM	[248] In situ neutron reflectivity studies of vertical polyelectrolyte diffusion in layer-by-layer films in aqueous solutions	SILL, Annekatrin
4:15 PM	[249] Nanoscale wood-water interactions studied with small-angle neutron scattering	PENTTILÄ, Paavo
4:30 PM	[250] Localization of dye molecules in surfactant assemblies via SANS contrast variation	MUELLER, Wenke
4:45 PM	[251] Nanostructure in amphiphile-based deep eutectic solvents	EDLER, Karen
