

Session Program

Oct 5 - 7, 2022

Joint ESS ILL User Meeting

Imaging for Archeology and Material Science

Lund, Sweden

Fri, October 7

9:00 AM

Imaging for Archeology and Material Science

Session | Location: Stora Salen

9:00 – 9:30 AM **Using neutrons to explore processes in geomaterials**

Speaker
Stephen Hall

9:30 – 10:00 AM **Dual modality neutron and X-ray tomography data from skeletal tissues**

Speaker
Hanna Isaksson

10:00 – 10:30 AM

Laue and time-of-flight neutron diffractive imaging methods for 3D grain mapping of polycrystalline materials

Speaker
Camilla Larsen, Stavros Samothrakitits

10:30 AM
