

Charge for STAP meeting 'Imaging and Engineering'

18 Oct 2021: <https://indico.esss.lu.se/event/2829/>

This STAP meeting will again be held via video:

Zoom Meeting: <https://ess-eu.zoom.us/j/65668487613>

Meeting ID: 656 6848 7613

The main purpose of the meeting is to keep the STAP informed and up-to-date of the current status of the project and related activities, and for the STAP to give advice on the specific topics on the agenda of the meeting.

The next meeting in March/April 2022 is planned to be 'in person' in Lund.

For the instrument teams:

- Prepare presentations concerning the instrument status and progress in advance of the meeting.
- Consider specific topics as raised in previous STAP meetings.
- Identify hot topics and raise them at the meeting.

For NSS management:

- Organize the meeting.
- Provide feedback on the actions identified at the last STAP meeting.
- Update the STAP on ESS progress.

For the STAP:

- Comment on the progress of the instrument projects in the context of their schedule.
- Comment on plans for HC.
- Provide feedback on the progress of the instrument class and any management actions that are needed to support the instrument projects.
- The findings and recommendations should be formulated in a written report (bullet points are sufficient).
- The STAP chair is invited to a Q&A session with the SAC.
