

Session Program

1-2 Jun 2015

EuCARD2 Mini Workshop on LLRF and Beam Dynamics Mutual Needs in Hadron Linacs

Simulations

European Spallation Source, Tånkartanken
Lund, Sweden

Tuesday 2 June

13:00

Simulations

Session | **Location:** European Spallation Source, Tånkartanken, Lund, Sweden

13:00–13:30

Probably density of errors

Speaker

Nicolas Pichoff

13:30–14:00

LLRF Simulations

Speaker

Olof Troeng

14:00–14:30

Design, construction and measurement challenges to enhance pulse flat-top quality in long pulsed high power modulators

Speaker

Carlos Martins

14:30–14:50

Temperature Control

Speaker

Morten Jensen

14:50–15:20

Discussion

15:30
