

6th Open Collaboration Meeting on Superconducting Linacs for High Power Proton Beams (SLHiPP-6)

Tuesday, 24 May 2016

RF: First Test Results - Walton Rooms (10:55 - 12:20)

-Conveners: Anders J Johansson

time	[id] title	presenter
10:55	[20] RF system status	SUNESSON, Anders
11:20	[21] High power Amplifiers: Klystrons and IOTs	MARRELLI, Chiara
11:40	[22] Status of RFDS and High power amplifiers: Tetrodes and solid state	YOGI, Rutambhara
12:00	[23] SML Klystron Modulator in comparison with Conventional Pulsed Transformed Based Topology	COLLINS, Max
