

# 4th International Workshop on Accelerator Radiation Induced Activation (ARIA'17)

## Monday, 22 May 2017

### Cross section measurements and intercomparison - Gästmatsalen (11:10 - 11:50)

-Conveners: Jean-Christophe David

time	[id] title	presenter
11:10	[29] Activation yields of proton-induced nuclear reactions on bismuth up to 100 MeV	Dr MOKHTARI ORANJ, Leila
11:30	[19] Proton induced activity in graphite – comparison between measurement and simulation	Dr KISELEV, Daniela
