

4th International Workshop on Accelerator Radiation Induced Activation (ARIA'17)

Monday, 22 May 2017

Radiological characterization: Methods - Gästmatsalen (14:40 - 15:40)

-Conveners: Masatoshi Arai

time	[id] title	presenter
14:40	[15] A method for radiological characterization based on fluence conversion coefficients	Dr FROESCHL, Robert
15:00	[20] ActiWiz3 – an overview of the latest developments and their application	Dr THEIS, Christian
15:20	[62] Strategy of Instrument Shield at Spallation Source - experiences at J-PARC	ARAI, Masatoshi
