

4th International Workshop on Accelerator Radiation Induced Activation (ARIA'17)

Tuesday, 23 May 2017

Waste management: Clearance - Gästmatsalen (17:30 - 18:30)

-Conveners: James Liu

time	[id] title	presenter
17:30	[38] Activation Levels, Handling, Storage, and Transport of Activated Components in the Target Hall at FRIB	Dr KOSTIN, Mikhail
17:50	[27] Lead activation and clearance measurement protocol in Accelerator Facilities	Dr LIU, James
18:10	[14] Evaluation of induced activity and assessment of in-situ clearance procedures for MedAustron ion therapy accelerator components	Mr WEIXELBAUMER, Christoph
