

4th International Workshop on Accelerator Radiation Induced Activation (ARIA'17)

Wednesday, 24 May 2017

Environment - Gästmatsalen (10:30 - 11:30)

-Conveners: Daniela Ene

time	[id] title	presenter
10:30	[90] Assessment of environmental consequences of the normal operations of the ESS facility	ENE, Daniela
10:50	[33] Leakage of radioactive materials from particle accelerator facilities by non-radiation disasters like fire and flooding and its environmental impacts	Ms LEE, Arim
11:10	[23] Activation assessment of the soil around the ESS accelerator tunnel	RAKHNO, Igor
