

# Deuteration for Neutron Scattering – DEUNET Workshop

## Wednesday, 17 May 2017

### Protein Structure and Function (11:20 - 12:50)

-Conveners: Peter Holden

time	[id] title	presenter
11:20	[30] Studying Bacterial Membrane Protein Complexes by The Use of contrasting Components	Prof. LAKEY, Jeremy
11:50	[31] Investigating Membrane Protein Structure Using Match-Out Deuterated Detergents and SANS	RØI MIDTGAARD, Søren
12:10	[32] Protein Dynamics With Obstruction	BIEHL, Ralf
12:30	[29] Time Is Money: Studying Protein-DNA Interactions by Contrast Variation SANS	ZACCAI, Nathan
