

# Nordic Workshop on Scattering from Soft Matter

## Thursday, January 18, 2018

### Session 3 - Auditorium (8:30 AM - 10:00 AM)

time	[id] title	presenter
8:30 AM	[74] Scattering methods can unravel nano-structural changes in musculoskeletal tissues under loading	ISAKSSON, Hanna
9:00 AM	[39] Structure Determination by SAXS in Protein Biophysics and Structural Biology	Mr LYNGSØ, Jeppe
9:20 AM	[24] The Interaction of Perfluoroalkyl Substances with Mineral Surfaces and Biological Membranes	Ms NOUHI, Shirin
9:40 AM	[28] Investigating the mesoscale of fibril hydrogels	Dr EFTHYMIOU, Christina
