

Session Program

23-25 Oct 2017

CDR for ESS Imaging Systems

Target Optical system

University of Oslo, FØ393

Monday 23 October

15:00

Target Optical system

Session | **Location:** University of Oslo, FØ393

15:00-15:30

Target optical systems design, tolerance budget

Speaker

Håvard Gjersdal (UiO)

15:30-15:40

Bendamount mirror mounts

Speaker

Fabien Rey

15:40-16:00

Thermomechanical studies, first mirror

Speaker

Maren Lithun (UiO)

16:00-16:30

Integration, alignment and schedule

Speaker

Håvard Gjersdal (UiO)

16:30-17:30

Visit to optical system prototype

Speaker

Håvard Gjersdal (UiO)

17:30
